

## Player's Charter

I am called .....

I like to be known as .....

### **I want to play football for the 2Dales Junior football Club**

I will try my best to be on time for training and matches and give my manager/coach as much notice as I can if I can't come.

I will wear shin pads for all football and I will wear black shorts for matches. I really will try not to forget my kit or to leave it behind afterwards.

I will try and behave. I won't swear and I will always accept decisions and instructions from referees or other officials. I will shake hands with the other team at the end of every match.

I want to play football mainly for enjoyment but also to improve skills and make friends.

I know that I may be better than other players but I will give them every encouragement and I won't complain if I have to stand out to give them a game. Likewise, other players may be better than me but I still expect to be encouraged and included. I know that **in the 2Dales Club, everyone matters.**

Signed .....
