Under 10's (including next season's Under 10's)

It is intended to continue with coaching on a Friday evening presently at 6.30 on the MUGA, in addition to Sunday, to bring forward a squad so we can enter a League team next season. The Under 11's (not in the main League squad) will train with them again to try and get a team for next season

Under 8's

I am expecting a tournament soon. Stop press! Just announced this is on Saturday 9th March at Catterick Village.

We urgently need volunteers to help support training on a Sunday morning particularly for the Under 7's or this coaching will be lost.

Catering

Louise has asked if we could form a small committee of Mums and Dads from all the age groups, to help run the catering so it can operate when she is away and so she can watch her own boys playing. Apart from being very pleasant, the catering is a vital source of funding which helps keep the subscriptions at a minimum.

Tesco and Sainsbury Vouchers

We will be collecting Tesco vouchers for equipment assuming they run it again this year and we have a reciprocal agreement with the Scouts who collect Sainsbury vouchers.
