Welcome to a new season.

League Football

We have entered Under 14's and Under 10's in the League which starts 8th September. The League will comprise 3 parts this season and information on this is on the website under Club News (July Newsflash). Please look at this. We are expecting to have some football for Under 12's and we are also in talks with other clubs about possible link ups or collaboration.

Training is presently at Reeth on Sunday mornings until League matches start when it will revert to Friday evenings or as advised. This will be outdoors on the field until it gets too dark when we will use the MUGA.

Volunteers.

Matthew has accepted a position with a Championship League club and therefore Keith is to continue with the Under 14's. We congratulate Matthew on his appointment but will miss him.

We are in urgent need of more volunteers for

- Coaching
- Refereeing
- Catering
- Under 14 Team Secretary
- Helping generally

You will appreciate the last 3 categories do not involve any football activity but all are vital if the Club is to survive. Please help if you can. Unless we can get more help both on and off the field the future of junior football is in serious doubt. We are wanting to form a committee to take over the catering and tuck shop.

Welfare Officer

Please note that David Williams has taken over as Welfare Officer on a temporary basis. Clare Ackroyd has kindly offered to take over this role when she has the necessary qualification.
